\* The following data reflects the results for graduates of the Practical Nursing program who took the National Council Licensure Examination for Practical Nurses (NCLEX-PN) during the cohort periods as required by the Accrediting Commission of Careers Schools and Colleges. The NCLEX-PN is a standardized examination administered by the National Council of State Boards of Nursing that Practical Nursing program graduates must pass in order to be licensed to practice as a practical nurse. The results provided in this disclosure may differ from the data collected by the Connecticut Board of Nursing. Data reported to the Accrediting Commission of Careers Schools and Colleges.
